//CALCULATE YOUR RENTAL PRICE

The rental price depends on the number of days the equipment is used. Rehearsal days or show days count as usage days.

The final dry hire rental price is the result of the day rate x the factor for the usage days as in the overview below.

day rate	factor
1-3 days	1
4-7 days	1,5
8-14 days	2
15-21 days	2,5
22-28 days	3
29-35 days	3,5
36-42 days	4
43-49 days	4,5
50-56 days	5
57-63 days	5,5
64-70 days	6

Transport and installation days are free of charge with a maximum of:

Standard delivery time: 1-2 weeks; Delivery time Metallic confetti 55x17mm and Metallic confetti rounds Ø55mm: 4 weeks

PRINT FILES INSTRUCTIONS: Always convert text to contours/ outlines. Use CMYK colors. Standard confetti size is 55x17 mm, standard banknotes size is 150x75 mm. white edges after cutting.

Create your files with a bleed of 2 mm. Let your background overlap the bleed. This will prevent white edges after cutting. If you use an image, make sure it has a resolution of 300 DPI.

Minimal font size we advise is 6pt. Readability also depends on the font that is being used. We advise to create the files in Adobe InDesign, Adobe Illustrator or Adobe Photoshop. Save the file as a print ready PDF.
